

Adult Youth Advisor Training

The Mountain Retreat and Learning Center
and the

Southern Region of the Unitarian Universalist Association
are excited to provide training for adult youth group advisors at the Mountain this June. The Mountain camp staff will be joining us for this shared learning experience.

Over the course of the weekend, you can expect to gain deep insight into:

- The Unitarian Universalist values and theology upon which our community rests
- Covenant as the bedrock of our shared Faith, how to create a meaningful covenant, use it to shepherd the community, and deal with behavioral issues that arise
- The role of the camp staff in chaplaincy, how to work as a team, and referrals
- The role as a staff member in community management, following safety standards, understanding your power and authority, and how to handle safety breaches

Please join us June 1 - 3, 2017 at The Mountain for this transformative learning experience.
